*The neighboring University of Tennessee-Chattanooga is offering low-cost dorms to conference attendees on Friday night. These dorms are apartments with 4 private bedrooms and two shared bathrooms. The 4BR apartments are all single-gender, except that immediate family members of opposite gender may share an apartment. Each bedroom is lockable from the inside and outside and has one full sized bed with a vinyl mattress. **No bed or bath linens or toiletries are provided. All guests will need to bring their own sheets, blankets, pillows, towels, and toiletries.***

For families or friends wanting to reserve a whole 4BR apartment, one person should reserve the apartment and list the names of the other guests who are sharing it. That person will be charged the full apartment price at the time of registration.

By university policy, babies and children under age 13 are not permitted to occupy the dorms.
